

KCD Mumbai 2023

Sponsorship Prospectus →

About the event

KCD Mumbai will be an in-person event packed with Kubernetes and Cloud Native talks and workshops, and ending with a party. This will be the first edition of Kubernetes Community Days in **Mumbai**. We are an inclusive, and open community of engineers, developers, professionals, and anyone in the Cloud Native ecosystem.

Event location and date

KCD Mumbai will be held on **10th June, 2023**. With over 350 attendees, this will be one of the largest events for cloud-native in Mumbai. Join us to experience the power of a diverse community coming together to learn & share knowledge on **cloud native**.

We will provide the safest possible hybrid event and follow all the government and CNCF guidelines.

Why sponsor us?

KCD is a community-organized and not-for-profit event and would not be possible without our partners. Don't miss the opportunity to be part of and support this community event. We welcome community projects and influencers to be community sponsors too. Please don't hesitate to contact us for any questions at contact@kcdmumbai.com.

Audience

Opportunity to showcase your product to the growing community of engineers & developers

Showcase

A display booth for sponsors to showcase their products and engage with attendees

Networking

Opportunity to connect and meet with the top tech talents from across the globe
